

Gifft Hill School Newsletter

May 28, 2010

Note from the Headmaster

Dear Parents,

Thank you to all who attended our annual Spaghetti Dinner. It was a fun event.

As the year starts to draw to a close, I would remind all that to continue to follow all rules and regulations in regards to attendance as well as all other school policies and procedures.

Gifft Hill School is erecting a basketball half court and garden at the Upper Campus in memory of Nekwan Sprauve. We are also establishing a scholarship fund in his name for students who exhibit excellence in athletics, the arts and music, or possess Nekwan's positive outlook and strength of character. In kind or cash donations of any amount would be greatly appreciated. Please contact Beth Jones or Molly Murill in our GHS Development Office at 776-1730 for further information. Please take this opportunity to remember and support this cause. We are a community of caring.

Any parent who has not re-enrolled his or her child, please do so as soon as possible. Exam Schedule for the Upper Campus will be out next week.

Reminder: There is no school on Monday May 31st since it is Memorial Day.

It is only together that we will continue to grow and improve our school. As always, feel free to contact us if any questions arise.

Thank You,
Mr. Ed

"We Open Minds, Hearts, and Doors"

Lower Campus Note

Dear Parents,

Congratulations to all our May Students of the Month! The new field dedication, planned for today, has been rescheduled for Wednesday, June 2 at 9:00 due to the rain. Please join us then to honor this very special person.

The XO Laptop Program, which began this past Monday, is absolutely fantastic! The feedback I have gotten from students and parents has been so positive. I spoke with the director today, and we plan to continue this exceptional educational opportunity again next year. All students who are participating are expected to attend the classes this Saturday, Sunday and Monday from 3:30-5:00.

The PTO Spaghetti Dinner was a great success! Thanks again to Hillary and Scott, parents and teachers. Molly, thank you for all you have done this year as PTO president.

Thank you for attending our Science Fair on Wednesday. We all enjoyed the interesting and creative displays the students presented.

The Mongoose Junction Association has once again provided Gifft Hill School with new books. This year the theme was literature about the Caribbean. We thank them for their generous contributions to our library.

We have completed the first round of financial aid applications for the 2010-2011 school year. Please make sure you have filled out all the appropriate forms if you wish to be considered for the next round. We will be happy to assist you in this process. If you have any questions, please let us know.

Our Book Fair is this Tuesday, June 1st. See you there.

Last PTO meeting of the year is this Thursday, June 3rd.

Have a great Memorial Day Weekend.

Ms. Beth
