Summer Reading Log (2011)

Our summer reading selections this year are sure to ignite your child's imagination! The teachers at GHS have selected books based on the genre of fantasy for each child to read over the summer. Research has shown that reading at least 6 books over the summer will help your child avoid losing those reading skills they developed over the school year. Please have your child read or read with your child the selected book as well as at least 5 additional titles over the summer months. Record those books on the GHS Summer Reading log and return to school at the beginning of the 2011-2012 school year.

Our books for this summer are:

	<p>For students entering PS through 1st Grade: <u>Alexander and the Wind Up Mouse</u> by Leo Lionni</p>
	<p>For students entering 2nd and 3rd Grade: <i>Summer of the Sea Serpent</i> (Magic Tree House Series #31) by Mary Pope Osborne</p>
	<p>For students entering 4th Grade: <i>The Magician's Nephew</i> (The Chronicles of Narnia) by: C. S. Lewis</p>
	<p>For students entering 5th Grade: The BFG by Roald Dahl</p>

Giff Hill School Summer Reading Log (2011)

Children that read throughout the summer gain more skills, discover the joy of reading and start the next school year off in better shape for learning! Please help your child by having them read the GHS Summer Reading selection and at least 5 other titles. It is perfectly okay to read the books with and to your child – make it a family event! Record the titles that you have read this summer on this log and return it to school at the beginning of the 2011-2012 school year. Enjoy your summer and happy reading!
