

# Welcome To KINDERGARTEN

**Dear Parents,**

I want to let you know how excited I am to be working with your child this year. Our class will be filled with learning, discovery, growth, and...fun!

For those who don't already know me, this is my sixth year at Giff Hill and my 21st year in education. I love working with such an amazing team here and when not in school, I'm usually out swimming, diving, or hiking with my dog Casey. 🐕

My goal in kindergarten is to foster confident and independent learners through whole class, small groups, and one-on-one instruction. I focus the curriculum around thematic units in social studies, science, and literature. These units will have kindergarteners learning hands-on and experiencing St John through educational field trips with guidance from the NPS and other local resources.

Once school starts, our main means of communication will be through the ClassDojo. Until we set our class up in September, please feel free to contact me at [andreagiglietto@giffthillschool.org](mailto:andreagiglietto@giffthillschool.org) if you have any questions.

*This is going to be a fantastic year!!*

*Ms. G. (Ms. Giglitto) 🐢*
