

MEET THE TEACHER

~Handle with Care~

If your child is coming to school after a difficult night, morning, or weekend, for whatever reason (I know it's not always possible to share details), I would like to be supportive at school and help them get through their day. Please text me "Handle with Care." Nothing else will be said or asked. This will let me know that your child may need extra time and patience during the day.

What to Expect in 3rd Grade

- So much growth! We focus a lot on independence & responsibility.
- Vocabulary - 10 vocabulary words every 2 weeks with a test every other Friday
- Homework - there will be daily homework that reviews what we are learning in math & language. This should take less than 20 minutes each day.

Hi! My name is Robin Wallace. I am so excited to have your child in my class this year! This will be my 7th year in the elementary classroom, and third grade is definitely my favorite! I entered teaching after serving as a long-term foster care parent and child advocate, and during those years, my husband and I raised 42 children. We have one daughter still at home, Lily, who is in 10th grade at GHS.

I have been on-island for over six years and am so grateful to call the beautiful island of St. John home. When I'm not in the classroom, I love spending time with my family and friends, playing games, and enjoying the many beaches on St. John.

I look forward to getting to know your child and being a part of the tremendous growth that will happen this year. I can't wait to share all the fun adventures and discoveries that make up third grade!
