

# WELCOME TO MS. KISSA'S SECOND GRADE CLASS

Dear Parents/ Guardians,

I would like to take a moment to welcome you to our Second Grade family! I am so excited to be working with your child this year. We are going to learn and grow so much all while having fun.

In my classroom, you'll find students engaging in a variety of learning activities that fosters critical thinking, creativity, and problem-solving. Our second grade class will engage in learning through whole group, small group, and individual instruction. As your child's second grade teacher and a guide in the learning process, it is my desire to help your child reach their highest potential.

A little bit about myself: I was born and raised in the Virgin Islands. I taught English in South Korea for three years and I'm excited to be returning for my second year at GHS. When I'm not in the classroom, I love to travel, go to the beach, read, learn languages, and bake.

This is going to be a great year!

Ms. Kissa Williams
