

Welcome to OUR CLASS

Ms. Beth's Toddler Class

Every day will be filled with exploration and discovery through books, songs, creative play, sensory activities and more. My purpose as a teacher is for your child to feel safe, loved and excited to be at school.

Good day! My name is Beth Simmons. I am delighted to welcome your child to the Toddler Program. This will be my second year as the toddler teacher and my third year at GHS. I have worked with children from toddlers to high school seniors over the course of my teaching career. I have two children. Eloise will be in 7th grade, and Rollie will be in 5th grade. I enjoy cooking and baking, I love exploring new places, and I love spending time with my children and my husband Scott, especially at the beach. I am looking forward to getting to know your child and to being a part of the tremendous growth that will happen this year! It's going to be a fantastic year!

Please know that I am always here if you have any questions!

Welcome to OUR CLASS

Me'Kala Thompson is the Toddler Program Assistant. Ms. Me'Kala brings such joy and positive energy to our classroom. Ms. Me'Kala has been the toddler assistant since January 2023. She is a native St. Johnian and attended GHS in middle and high school. Her favorite color is green, and she is a big foodie.

SUPPLY LIST

- One case of diapers or pull ups
- One case of baby or water wipes
- One box of tissues
- Two containers of bleach free disinfecting wipes
- One box quart size Ziploc bags
- Two full size crib sheets & two light weight (muslin) blankets for nap
- Two full changes of clothes

SNACK & LUNCH

Your child will need an insulated lunch bag with an ice pack. Please be mindful when choosing the bento box/containers that will hold your child's food and choose something that your child will be able to open. Now is the perfect time to start practicing. Snack and lunch are great opportunities to work on our growing independence. Of course, we are always here to help your child!

Your child needs a water bottle every day. Please choose one with a handle that is easy for your child to carry. Please do not send your child with juice or milk, water only.
