- Notification of acceptance** - Upon acceptance to Giffthill School each student will be notified through TADS to proceed with the next step of the enrollment process.
- Enrollment and deposit** - In order to guarantee the applicant's spot in a classroom, parents must complete enrollment through TADS, sign a tuition contract and paid the \$500 deposit which will be applied to the total tuition balance. If the applicant is applying for financial aid, payment of the deposit may be postponed until an award is made. A financial aid award cannot be issued until the enrollment information is completed.
- Finalize tuition agreement** - In this final step applicants agree to the terms and conditions of enrollment, create a payment plan, and sign contract. (If deposit was not paid prior, it is required at this point.)

Financial Aid Process

Families applying for financial aid must submit their application through the TADS portal, submit supporting documents and pay the \$45 application fee before financial aid can be assessed. Financial aid awards depend on household adjusted gross income.
