Summer Reading

Research has shown that the best predictor of reading achievement is the amount of time a child spends reading. The more a child reads, the more success that child will have.

Join us in our school-wide summer reading challenge. How? It's as easy as one, two, three!

1. Read a minimum of 3 "just right" books at your reading level. Challenge yourself to read both fiction and nonfiction books.
2. Choose one of the books you read to do a book report project on. A list of book report ideas is attached.
3. Present your project to your class (Don't worry you won't have to present on the first day of school!)

**ALL CHILDREN WHO COMPLETE THE SUMMER READING
CHALLENGE WILL BE INVITED TO AN ICE CREAM CELEBRATION
DURING THE SECOND WEEK OF SCHOOL.**
