

# Terry Bertolino, Treasurer

---

Terry joined the GHS family in the 1990s when her children started attending preschool here. She joined the Board of Trustees around the same time, serving as treasurer, then president, until the early 2000s. After a hiatus, Terry rejoined the board in 2014 as treasurer and a member of the Buildings and Grounds committee. Her husband built the preschool building before the couple even had children, and Terry and her husband built the Lower Campus library building. Terry says she's so proud of the “extraordinary group of students” the school has produced during its 42 years.
