

John Reny

John Reny is in his fourth year as a Board of Trustees member. His family has a long history in the retail business in his native Maine, where John's father founded Renys department stores more than 70 years ago. After working in the family business from a young age, John and his brother have turned Renys over to the next generation. John has been visiting St. John for more than 30 years, and he says he's very impressed with the education GHS offers to its students. He's especially fond of our gardening initiatives, and he applauds faculty and staff for their efforts to keep students learning in person during the pandemic.
